

Lakeview Methodist Conference Center Presents.....

# Dorothy Barton Music Scholarship

The Board of Directors of Lakeview Methodist Conference Center are proud to present the Dorothy Barton Music Scholarship. Established in 2010 by Linda Barton, daughter of Dorothy, this scholarship fund will provide tuition, room and board for its recipient to attend the Texas Conference Choir Clinic held at Lakeview Methodist Conference Center each summer.

This generous gift memorializes Dorothy Smith Barton who was a life-long church musician accomplished on the piano and organ. Her love for music and the church compelled her daughter to establish this scholarship to enable others to experience the joy and richness of church music as shared by those having this common interest.

Applications for the scholarship are available beginning each January with the award announcement to be made in April. Contact Lakeview for more information.
